

20th Annual
Society for Airway Management Scientific Meeting
and Workshop
September 14 – 17, 2017
Newport Beach Marriott Hotel & Spa
900 Newport Center Drive
Newport Beach, CA 92660-6206

Joint Providership by:
Society for Airway Management &
University of Massachusetts Medical School

Course Description:

The Society for Airway Management (SAM) is comprised of a multidisciplinary group of health care providers from Anesthesiology, Emergency Medicine, Otolaryngology, Critical Care, and Pulmonology, as well as CRNAs, paramedics and nurses. The **20th SAM Annual Scientific Meeting and Workshop** has been developed to feature international experts in the various fields of medicine dealing with airway management. Many aspects of difficult airway management, in a variety of clinical settings, will be highlighted. This course will consist of plenary presentations, small group round table discussions, a hands-on workshop including a patient simulator session, and Professor poster rounds. Audience engagement will be encouraged with question periods and an audience response system. There are Abstract Scientific Exhibit sessions, oral presentations of selected abstracts and opportunities to interact with product developers, manufacturers and distributors.

The theme of this year's meeting is **Airway Education, Technology and the Future.**

COURSE OBJECTIVES:

At the conclusion of the conference, the participant will be able to:

1. Describe innovations in Oxygenation technology.
2. Describe prehospital airway management of the patient with airway trauma.
3. Discuss improving the safety of intubation in the Emergency Department.
4. Discuss initial airway management considerations of the burn patient.
5. Describe alternate techniques versus intubation for locations outside of the operating room.
6. Discuss the merits of Sugammadex versus traditional muscle relaxant reversal.
7. Describe the merits of using disposable equipment in airway management.
8. Describe the merits and performance of front of neck airway access.
9. Discuss airway management in the setting of highly infectious agents.

Target Audience: Anesthesiologists, emergency medicine physicians, otolaryngologists, intensivists, trauma surgeons, paramedics, certified registered nurse anesthetists, flight nurses and all other allied health professionals assisting with airway management should attend.

Call for Abstracts: Be a part of one of the most rewarding sections of the annual meeting. Plan to submit your abstract for consideration for poster presentation. All accepted posters will have a moderated walk around poster session. The Top 6 abstracts will be eligible for oral presentation during the meeting. In addition, a select group of abstracts will be nominated for oral presentation during the meeting for their outstanding contribution to the meeting and the advancement of airway management.

- **Submissions for abstracts will be open on Wednesday, February 1st, 2017 through the following URL: tiny.cc/samabstracts2017**
- **This URL will also be available under the Annual Meeting Tab on the SAM website.**
- **Final Submission deadline will be Thursday, June 1st 2017 by Midnight EST.**

For any questions regarding abstracts, please [email: samabstracts@gmail.com](mailto:samabstracts@gmail.com)

Trainee Travel Awards: We particularly encourage residents-fellows in training to submit their scientific work. A select number of resident abstracts will be awarded a cash stipend of \$500

to defray travel costs. Trainee award winners will also receive free meeting registration. The trainee must be first author and presenting author of the accepted abstract. A letter from the Program Director confirming the resident is in good standing in their training program must accompany their submission.

Submission Details:

1. 250 words maximum excluding title, authors. Limit of one figure and one table.
2. Word document format, file sent via e-mail (Times New Roman, size 12 preferred)
3. Presenting author's name in bold, name of institution, conflicts of interest should be disclosed, financial support should be acknowledged.
4. Deadline is June 1, 2017
5. Presenter will be notified via email
6. Submit abstract online via the SAM website at **URL: tiny.cc/samabstracts2017**
Confirmation of receipt will be sent within 7 days.

Accreditation Statement: This activity has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Massachusetts Medical School and the Society for Airway Management. The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement: The University of Massachusetts Medical School designates this live activity for a maximum of 17 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Nursing Accreditation: This offering meets the requirements for up to 20.4 contact hours, as specified by the Massachusetts Board of Registration in Nursing (244-CMR 5.04).

Policy on Faculty and Provider Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities provided by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.

Cancellation Policy: If you cancel your registration before August 14, 2017, your fee is refundable less a \$50 processing charge. After that date, no refunds will be given for any reason – including weather and other emergencies. Substitutions are always acceptable with prior notification.

Deadline: Pre-registration will be closed when space is full or on September 1, 2017 at the latest. Registration should not be mailed unless receipt before that time is guaranteed. On-site registration will not be accepted when space is full, so register early. Please note that on-site registration will be assessed an additional \$50 to the published registration fee. Please call the UMass Office of Continuing Medical Education at 508-856-1671 to verify availability of space prior to arriving on-site to register.

Weather Emergency Policy: While the probability of delay or cancellation of the conference is highly unlikely, we recognize that we are subject to the vagaries of weather. If a weather emergency does occur, and you are in doubt as to whether or not the course will be held, call 508-856-1671 after 6:00 pm on September 13, 2017.

Additional Information: The Office of Continuing Medical Education reserves the right to cancel a program at any time caused by circumstances not under its control. Persons registered in a canceled program will be notified by email, using the email address provided during registration. Registration fees will be refunded for those program canceled by the Office of Continuing Medical Education. There may be changes in program content caused by circumstances beyond the control of the Society for Airway Management and the Office of Continuing Medical Education.

PLEASE NOTE: The Office of Continuing Medical Education is not responsible for any transportation or accommodation reservations. In compliance with the Americans with Disabilities Act, if you have any special needs, please contact the Office of Continuing Medical Education by August 31, 2017.

BECOME A MEMBER.... If you are interested in becoming a member of SAM or would like more information please contact:

Fax: 773-834-3166

Message from the 2017 SAM Meeting and Workshop Chair & Co-Chair –

Based on a theme of, “Airway Education, Technology and the Future,” work on the 2017 meeting commenced just after we left the 2016 SAM meeting in Atlanta. We set our sights on organizing a meeting covering a broad range of topics delivered by a diverse group of international experts. We think we have achieved that goal and look forward to presenting an excellent program that should interest a broad group of airway managers.

This year’s venue, The Marriott Hotel and Spa, is located in the Fashion Island section of Newport Beach, California. Located nearly midway between Los Angeles and San Diego, it is a World Class vacation destination. Renowned for its coastline, beaches, resorts, boating, fishing, surfing, shopping and fine dining, an extended visit to the area might be worth considering. We are pleased to be supported by: <http://visitnewportbeach.com> , which is also an excellent resource for further information on the community of Newport Beach.

We wish to express our gratitude to the speakers, moderators, and other faculty who will be contributing to this meeting. We would also like to specifically thank our Executive Director Dr. Carin Hagberg, President Dr. Lorraine Foley, Past President Elizabeth Behringer, President –Elect Dr. Lauren Berkow, Past President Dr. Ashutosh Wali, Vice President Dr. Felipe Urdaneta, the BOD members, and, of course, Anne Marie Prince and Lynn Hancock, without whom, the meeting would not have been possible. Please let us know how we can make your visit to Newport Beach enjoyable. We look forward to making this year’s SAM a memorable event.

Sincerely,

Bob Naruse, M.D., Program Chair
Sim Jagannathan, M.D., Program Co-Chair

Airway on Demand
Thursday, September 14, 2017 - 6:00 – 8:00 pm
Friday, September 15, 2017 – 12:00 – 3:30pm

Faculty: William Rosenblatt, M.D.

Airway on Demand (AOD) is an A-to-Z update of the current trends in clinical airway management designed for the practicing anesthesiologist. The course will cover topics such as the new ASA difficult airway guidelines, advanced airway evaluation, pediatric airway management, awake intubation, new video laryngoscopes, the role of new supraglottic airways in difficult airway management, invasive airway access and difficult extubation. AOD is being offered to the clinician who wants a solid review of the current devices and techniques, before attending SAM, where more advanced ideas are shared.

Educational Objectives:

Participants who attend this course will be able to:

1. Develop an appropriate airway management plan based on the findings of a focused medical history and airway physical exam, and apply these plans to patient care.
 2. Apply principles of advanced airway evaluation to the synthesis of an appropriate airway plan.
 3. Assess their plan of airway rescue and routine tracheal intubation with the incorporation of modern optical/video devices.
 4. Assess their plan of airway rescue and routine airway management with the incorporation of modern supraglottic airways.
 5. Apply patient preparation techniques in the performance of awake tracheal intubation.
 6. Apply techniques of minimally invasive airway rescue.
 7. Evaluate the potential for failed tracheal extubation and develop a plan for emergency reintubation.
- *All participants must register for the SAM conference prior to course acceptance.*

Registration Fee: SAM meeting attendees \$100; Trainees \$25 (*with confirmation letter from their program director*). Trainees will need to provide a letter from their program to receive a special discount.

Space is limited, thus course participation will be first come, first serve.

This activity has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Massachusetts Medical School and the Society for Airway Management. The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

The University of Massachusetts Medical School designates this live activity for a maximum of *5.5 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Thursday, September 14, 2017

Airway on Demand

6:00-8:00 pm **Airway on Demand-Part I**
Will Rosenblatt, M.D.

Friday, September 15, 2017

7:00-7:45am **Registration & Continental Breakfast/ View Exhibits**

7:45-8:00am **Welcome**
Lorraine Foley, M.D., President
Robert Naruse, M.D., Program Chair
Sim Jagannathan, M.D., Program Co-Chair

Session I: Innovations in Oxygenation Technology

Moderator: **Felipe Urdaneta, M.D.**

8:00-8:30am **Review: Physiology and Pathophysiology of Oxygenation and Obstruction of the Upper Airway**
Anil Patel, MB BS, FRCA

8:30-9:00am **Innovation and Strategies of Oxygenation Part I**
Richard Levitan, M.D.

9:00-9:30am **Innovation and Strategies of Oxygenation Part II**
Ellen O'Sullivan, MB BCh, FRCA, FCARCSI

9:30-9:45am **Panel Discussion**

9:45-10:15am **Break/Poster Viewing/ Visit Exhibits**

Session II: The Richard Aghababian, M.D. Emergency Airway Session

Moderator: **Ken Rothfield, M.D.**

10:15-10:45am **Prehospital Management of the Patient with Airway Trauma**
Michael Steuerwald, M.D.

10:45-11:15am Improving the Safety of Intubation in the Emergency Department
John Sakles, M.D.

11:15-11:45am Initial Airway Management Considerations for the Burn Patient
Nicole Bernal, M.D., FACS

11:45-12:00pm Panel Discussion

12:00 – 1:30pm Lunch on your own

12:15 – 1:15pm Past President's- Round Table Luncheon: Increasing the Scope of your Airway Practice, the Challenges, from Ethics to Logistics: a Discussion - (Pre-registration required)
Richard Cooper, M.D., FRCPC
Lunch Included

12:00-1:15pm SAM Committee Meetings (*by invitation-lunch provided*)

12:00-3:30pm Airway on Demand – Part 2 - William Rosenblatt, M.D.

Session III: Airway Management Investigators: Abstract & Research Presentations

Moderators: Sim Jagannathan, M.D. and David Wong, M.D.

1:30-2:45pm Abstract Oral Presentations

2:45-3:00pm Presentation of Awards

3:00-3:30pm Break/Poster Viewing/ Visit Exhibits

Session IV - Hands-on Workshops and Airway Simulation

Moderators: Lauren Berkow, M.D., Lorraine Foley, M.D., Joseph Quinlan, M.D., Ashutosh Wali M.D., FFARCS,

3:30-6:00pm

1. Fiberoptic Intubation/ Airway Anesthesia (60 minutes)
2. Airway Exchange Catheters/ Lung Isolation Techniques
3. Supraglottic Airways (Intubation via SGA's)
4. Ultrasound of the Airway
5. Videolaryngoscopy

6. Surgical Airway/ FONA
7. Pediatric Airway Station
8. Clinical Airway Simulation
9. CPR Training/ Oxylator/THRIVE/SALAD
10. Difficult Airway Algorithm and Rescue Cricothyrotomy (DAARC)

SAM Business Meetings

6:00-7:00pm General membership Meeting (*open*)

7:30-10:30pm Board of Director's Meeting (*by invitation*)

Saturday, September 16, 2017

7:15-7:45am Registration, View Exhibits, Continental Breakfast

Session V: Pro vs. Con Debate

Moderator: Michael Aziz, M.D.

7:45-8:15am Alternate Techniques vs. Intubation for Outside Locations
Pro – Irene Osborn, M.D.
Con – Lorraine Foley, M.D.

8:15-8:45am Sugammadex vs. Traditional Muscle Relaxant Reversal
Pro – Michael Seltz Kristensen, M.D.
Con – Felipe Urdaneta, M.D.

8:45-9:15am Should we all be using Disposable Equipment in Airway Management?
Pro – Alan Klock, M.D.
Con - Kenneth Rothfield, M.D.

9:15-9:30am Questions/ Audience Discussion

9:30-10:00am Break/View Posters/Visit Exhibits

Session VI: Plenary Session

Moderator: Lorraine Foley, M.D.

10:00-10:30am DAS Lecture (Sponsored by Karl Storz): New DAS ICU Guidelines
Andy Higgs, MB ChB, FRCA, FFICM

10:30-11:15am Ovassapian Lecture (Sponsored by Jack Pacey, M.D.): Safe Airway Management Everywhere (S.A.M.E)
Nicholas Chrimes, MB BS (Hons), FANZCA

11:15-11:45am Rubenstein International speaker lecture (Sponsored by AMBU): FONA (Front of Neck Access)
Paul Baker, MB ChB, FANZCA

11:45-12:00pm Panel Discussion

Session VII: Expert's Round Table Luncheon Session – (Pre-registration required)

12:00-1:00pm

1 – Best Approach to Awake Intubation

Will Rosenblatt, M.D. & Ellen O'Sullivan, MB BCh, FRCA, FCARCSI

2 - Ultrasound for Airway Assessment & Management

Michael Seltz Kristensen, M.D.

3 – Prehospital Airway Challenges

David Olvera, FP-C, NREMT. & Michael Steuerwald, M.D.

4 – Pediatric Airway Management: New Equipment and New Techniques

Patrick Olomu, M.D.

5 – Tracheal Extubation Management: Challenges & Solutions

Andy Higgs, MB ChB, FRCA, FFICM & Elizabeth Behringer M.D.

6 – Wellness and the Second Victim from a Difficult Airway

Gail Randel, M.D.

1:00-2:00pm Poster Rounds I

Session VIII: SAM Chapters Presentation

Moderator: Lauren Berkow, M.D.

2:00-2:20pm United Kingdom: Anticipated & Unanticipated Difficult intubations in Obstetrics

Ellen O'Sullivan, MB BCh, FRCA, FCARCSI

2:20-2:40pm Chile: Difficult Airway Management: The Chilean Experience, a Human Viewpoint

Ramon Coloma, M.D.

2:40-3:00pm India: Tracheal Intubation in ICU - Life Saving or Life Threatening ?

Sheila Nainan Myatra, M.D., FCCM, FICCM

3:00-4:00pm **Poster Rounds II**

Session IX: **Expert's Round Table Session II (snack provided)**
4:00-5:00pm

1. Airway Management in Remote Locations

Michael Steuerwald, M.D. & Irene Osborn, M.D.

2. Ultrasound for Airway Assessment

David Wong, M.D.

3. How to Organize a Formal Airway Rotation and Optimize Airway Education in Your Department

Richard Cooper, M.D. & Felipe Urdaneta, M.D.

4. Airway Management Strategies for the Complex Head and Neck Patient

Vladimir Nekhendzy, M.D. & Anil Patel, MB BS, FRCA

5. Best Approaches for Front of Neck Access (FONA) in Adults and Children

Paul Baker, MB ChB, FANZCA

Session IX.a: **Trainee Section**

4:00-5:00pm **Airway Jeopardy**
Tracey Straker, M.D.

7:00 – 10:00pm **Award Ceremony and Reception –Site to be Determined**
Join featured presenters, SAM officers, and new colleagues for a special event Saturday evening!

Sunday, September 17, 2017

7:15-8:00am **View Exhibits/ Continental Breakfast**

Session X: Clinical Case Discussions

Moderator: Michael Seltz Kristensen, M.D.

8:00-8:30am **Case 1: Pediatric**
Sim Jagannathan, M.D.

8:30-9:00am **Case 2: General**
Lauren Berkow, M.D.

9:00-9:30am **Case 3: OB**
Ashu Wali, M.D., FFARCS

9:30-10:00am Case 4: Emergency Medicine
John Sakles, M.D.

10:00-10:15am Break/ Refreshments

Session XI: Airway Challenges in Special Situations

Moderator: Ashu Wali, M.D., FFARCS

10:15-10:50am Airway Management with SARS & Other Highly Infectious Agents
Matt Klopman, M.D.

10:50-11:25am The Law and You
Carin Hagberg, M.D.

11:25-12:00pm Troubleshooting the Tracheostomized Patient
Elizabeth Behringer, M.D.

12:00-12:10 pm Closing Remarks
Robert Naruse, M.D. – Program Chair, SAM 2017
Sim Jagannathan, M.D. – Program Chair, SAM 2018

Other Pertinent Information

Accommodations/Conference Location:

Newport Beach Marriott Hotel & Spa
900 Newport Center Drive
Newport Beach, CA 92660-6206

PLEASE NOTE: There are **THREE** Marriott Hotels in Newport Beach. Please be sure you make your reservations in the correct one on Newport Center Drive.

To book reservations online:

[CLICK HERE](#)

Reservations: Phone:

1-(949)640-4000

Please note that the cut-off date for hotel reservations is **August 23, 2017**.

EARLY REGISTRATION IS SUGGESTED SINCE THE NUMBER OF ROOMS AT THE SPECIAL CONFERENCE RATE IS LIMITED.

*Please note: SAM and the UMass Office of Continuing Medical Education are not responsible for any accommodation reservations or transportation.

Information about Newport Beach:

Newport Beach, California is a coastal fantasyland where leisure and style come together in ten distinct neighborhoods, each with its own unique charm — Airport District, Balboa Island and surrounding seven islands, Balboa Peninsula, Balboa Village, Cannery Village, Corona del Mar, Fashion Island, Mariner's Mile/Westcliff, Newport Coast/Crystal Cove, and the Back Bay.

Developed by James Irvine and James McFadden in the late 1800's, the area became a weekend retreat for Southern Californians at the start of the 20th Century. E.L. Huntington developed light rail transit from Los Angeles, allowing for easy access, even before development of the highway system. Located 50 miles South of Los Angeles, it is easily accessed by the Pacific Coast Highway, the 405 and 55 freeways.

Transportation & Directions:

PLEASE NOTE: THE NEWPORT BEACH MARRIOTT DOES NOT PROVIDE SHUTTLE SERVICE TO ANY SURROUNDING AIRPORT.

Newport Beach California Area Airports:

John Wayne Airport-Orange County – (SNA)

Airport Phone: +1 949 252 5200

Hotel direction: 5 miles SW

Alternate transportation: Best Transportation (Town Cars / Limos);reservation required

Bus service, fee: 5 USD (one way)

Estimated taxi fare: 18 USD (one way)

Long Beach Airport – (LGB)

Airport Phone: +1 562 570 2600

Hotel direction: 25 miles SE

Alternate transportation: Best Transportation (Town Cars/Limos);reservation required

Bus service, fee: 12 USD (one way)

Estimated taxi fare: 65 USD (one way)

Los Angeles International Airport –(LAX)
LAX IS THE CLOSEST AND LARGEST INTERNATIONAL AIRPORT.

Airport Phone: +1 310 646 5252

Hotel direction: 44 miles SE

Alternate transportation: Best Transportation (Town Car/Limo);reservation required
Bus service, fee: 37 USD (one way)
Estimated taxi fare: 125 USD (one way)

LA/Ontario International Airport – (ONT)

Airport Phone: +1 909 937 2700

Hotel direction: 49 miles SW

Alternate transportation: Best Transportation (Town Car/Limo);reservation required
Bus service, fee: 5 USD (one way)
Estimated taxi fare: 100 USD (one way)

SUGGESTED SHUTTLE SERVICES: MUST BOOK RESERVATIONS IN ADVANCE:

Safe Ride Transport:

www.saferidetransport.com

email: Info@SafeRideTransport.com

888/852-7433

310/684-3110

Registration for this event is available online.
Visit www.umassmed.edu/cme/upcoming-events to get started.

Accepted Forms of Payment for Online Registration:

- American Express, Discover, MasterCard, Visa

(Online registrations are viewed as complete; you will receive a confirmation/receipt via email to the address provided).

* If you are not able to register online using a credit card please call 508-856-1671 press 1, then 3 for technical assistance to process your registration.

On-Site Registration - Please note that on-site registration will be assessed an additional \$50 to the published registration fee for each session. Please call the UMass Office of Continuing Medical Education at 508-856-1671 to verify availability of space prior to arriving on-site to register.

On-site Acceptable Forms of Payment:

- Credit Card
- Check
- Cash

Airway on Demand

Thursday, September 14, 2017 - 6:00 – 9:00 pm

Friday, September 15, 2017 – 12:00 – 3:30 pm

Participants **MUST** be registered for the SAM Annual Meeting to participate.

Trainees \$25.00

*with confirmation letter from program director. Letters may be sent to continuing.education@umassmed.edu, please indicate AOD confirmation letter in the subject line.

All others \$100.00

SAM 2017 Registration Fees:

(Full conference registration includes 1 ticket for the social event Saturday evening.
Single day attendees will need to purchase a ticket for the social event.)

LECTURES, Including Hands-on Workshops (Friday, September 15, 2017-3:30-6:00 pm)

	<u>Prior to 8/1/17</u>	<u>After 8/1/17</u>
-Practicing Physicians	\$959.00	\$1050.00
-Members, SAM	\$800.00	\$900.00
-All others	\$700.00	\$800.00

-Trainees \$150.00 \$150.00

LECTURES ONLY	Single Day	Prior to 8/1/17	After 8/1/17
-Practicing Physicians	\$425.00	\$725.00	\$800.00
-Members, SAM	\$275.00	\$575.00	\$625.00
-All others	\$225.00	\$500.00	\$575.00
-Trainees	\$75.00	\$125.00	\$125.00

Friday, September 15, 2017 – 12:00 – 1:15 pm

Round Table with SAM Past President (WITH LUNCH)

\$50 (preregistration is required)

Saturday, September 16, 2017 – 12:00 – 1:00 pm

EXPERT ROUND TABLE #1 (WITH LUNCH)

\$50 (\$75 if purchased on-site, space permitting)

Saturday, September 16, 2017 – 4:00 – 5:00 pm

EXPERT ROUND TABLE # 2 –(WITH SNACK)

\$25 (\$50 on-site, space permitting)
