

**25th Society for Airway Management
Annual Scientific Meeting and Workshop
September 19th – 22nd, 2024**

**Westin Copley
Boston, MA**

Joint Providership by:

**Society for Airway Management
&
University of Massachusetts Chan Medical School**

Course Description:

The Society for Airway Management (SAM) is comprised of a multidisciplinary group of health care providers from Anesthesiology, Emergency Medicine, Otolaryngology, Critical Care, and Pulmonology, as well as CRNAs, AAs, NPs, PAs, RNs and paramedics. The **SAM 25th Annual Scientific Meeting and Workshop** has been developed to feature international experts in the various fields of medicine dealing with airway management. Many aspects of difficult airway management, in a variety of clinical settings, will be highlighted. This course will consist of plenary presentations, small group round table discussions, hands-on workshops, and an audience response system.

The theme of this year's meeting is: **Improving safety in airway management for all patients - a golden era of opportunities.**

Course Objectives: At the conclusion of the conference, the participant will be able to:

1. Discuss current approaches to airway management in clinical practice
2. Discuss specific approaches for the trauma and critically ill patients
3. Describe the concept of physiologically difficult airways
4. Describe novel airway management strategies in head and neck surgery
5. Discuss the management of tracheostomies
6. Discuss decision making in thoracic surgeries and the use of double lumen tubes and bronchial blockers
7. Describe the risk of complications during extubation, and approaches to high risk extubation
8. Describe the important considerations in the neonatal and pediatric patient requiring airway management
9. Describe the important considerations in the parturient requiring airway management

Target Audience: Anesthesiologists, emergency physicians, otolaryngologists, intensivists, trauma surgeons, paramedics, certified registered nurse anesthetists, anesthesia assistants, respiratory therapists, nurse practitioners, physician assistants, flight nurses and all other allied health professionals involved with airway management should attend.

Call for Abstracts: Be a part of one of the most rewarding sessions of the annual meeting. Submit your abstract for consideration as a poster presentation. All accepted posters will have a moderated walk around poster session. The top 3 abstracts will be eligible for oral presentation during the meeting.

- **Submissions for abstracts is open**
- **Final submission deadline will be Friday, May 31st, 2024, by Midnight EST.**

Submission Details:

1. 250 words maximum excluding title, authors. Limit of one figure and one table.
2. Word document format, file sent via link below (Times New Roman, size 12 preferred)
3. Presenting author's name in bold, name of the institution, conflict of interest should be disclosed, financial support should be acknowledged
4. Deadline for submission is May 31st, 2024, by Midnight EST
5. Presenter will be notified via email
6. Submit abstract online at: <https://samhq.com/2024-submissions/>
7. For any questions regarding abstracts, please email: SAM2024submissions@gmail.com

*Submission must include a statement that the research was approved from the responsible Institutional Review Board, where applicable

Challenging Airway Cases Session: Case reports have introduced new paradigms, increased awareness of clinicians to complications, and have likely saved countless lives. They have also sparked ideas for clinical studies. The SAM Board of Directors acknowledges the contributions of challenging cases in the past by our members to advance our discipline. As a result, we encourage you to submit a challenging case report for consideration for presentation at the meeting. Four of the top cases will be presented to a diverse panel of airway experts who will discuss the various airway management options for the case. Others will be presented during the abstract session.

1. 250 words maximum excluding title, authors. Limit of one figure and one table.
2. Word document format, file sent via link below (Times New Roman, size 12 preferred)
3. Presenting author's name in bold, name of the institution, conflict of interest should be disclosed, financial support should be acknowledged
4. Deadline for submission is May 31st, 2024, by Midnight EST
5. Presenter will be notified via email
6. Submit abstract online at: <https://samhq.com/2024-submissions/>
7. For any questions regarding case reports, please email: SAM2024submissions@gmail.com

*Cases containing images and/or video must include a statement that the patient, family, or responsible Institutional Review Board gave written permission to publish the case.

Submit your Challenging Case by May 31st, 2024, Midnight EST at:
<https://samhq.com/2024-submissions/>

New Speaker Forum Lightning Presentation: SAM is proud to announce this new session developed to encourage fellows and junior faculty participation. Three speakers will be selected to each present a 15 minute "lightning presentation" on a current topic of interest in airway management.

Submit your "Lightning Presentation" by May 31st, 2024, Midnight EST at:
<https://samhq.com/2024-submissions/>

For any questions regarding the new speaker forum lightning presentations, please email: SAM2024submissions@gmail.com

International chapters - white papers submission: this session hosts submissions from SAM international chapters members. Three speakers will be selected to each present a 20 minutes presentation on a current topic of interest in airway management and/or on the work of a specific SAM international chapter.

Submit your "White paper" proposal by May 31st, 2024, Midnight EST at:
<https://samhq.com/2024-submissions/>

For any questions regarding the international chapters - white papers submission, please email: SAM2024submissions@gmail.com

Trainee Travel Awards: We particularly encourage residents and fellows to submit their scientific work. A select number of resident abstracts will be awarded a cash stipend of \$300 to defray travel costs. Trainee award winners will also receive free meeting registration. The trainee must be the first author and presenting author of the accepted

abstract. A letter from the Program Director confirming the resident is in good standing in their training program must accompany their submission. Awards will be announced at the Annual Meeting.

Accreditation Statement: This activity has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Massachusetts Chan Medical School and the Society for Airway Management. The University of Massachusetts Chan Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement: The University of Massachusetts Chan Medical School designates this live activity for a maximum of 20.5 *AMA PRA Category 1 Credit(s)*TM. Participants should claim only credit commensurate with the extent of their participation in the activity.

Nursing Accreditation: This offering meets the requirements for up to 24.6 contact hours, as specified by the Massachusetts Board of Registration in Nursing (244-CMR 5.04).

CRNAs: AANA accepts *AMA PRA Category 1 Credit*TM from organizations accredited by the ACCME.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit(s)*TM from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20.5 hours of *Category 1 Credit(s)*TM for completing this program.

Nurse Practitioners: American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credit(s)*TM from organizations accredited by the ACCME.

Policy on Faculty and Provider Disclosure: It is the policy of the University of Massachusetts Chan Medical School OCME to ensure fair balance, independence, objectivity, and scientific rigor in all activities. All persons participating in CME activities provided by the UMass Chan Medical School are required to present evidence-based data, identify any off-label product use, and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.

Cancellation Policy: If you cancel your registration before August 16, 2024, your fee is refundable less a \$50 processing charge. After that date, no refunds will be given for any reason – including weather and other emergencies. Substitutions are always acceptable with prior notification.

Deadline: Pre-registration will close when space is full, so register early. **Please note that on-site registration will be assessed an additional \$50 to the published registration fee.**

Weather Emergency Policy: While the probability of delay or cancellation of the conference is highly unlikely, we recognize that we are subject to the vagaries of weather. If a weather emergency does occur, and you are in doubt as to whether the course will be held or not, call 508-856-1671 after 6:00 pm on September 18, 2024.

Additional Information: UMass Chan Office of Continuing Medical Education reserves the right to cancel a program at any time caused by circumstances not under its control including COVID outbreaks. Persons registered in a canceled program will be notified by email, using the email address provided during registration. Registration fees will be refunded for that program if canceled by UMass Chan Office of Continuing Medical

Education. There may be changes in program content caused by circumstances beyond the control of the Society for Airway Management and the Office of Continuing Medical Education.

PLEASE NOTE: The Office of Continuing Medical Education is not responsible for any transportation or accommodation reservations. In compliance with the Americans with Disabilities Act, if you have any special needs, please contact the Office of Continuing Medical Education by August 31, 2024.

COVID-19 notice: SAM will follow all Federal, state, and local COVID protocols for Boston and will monitor for any changes. For more information on current protocols, visit the city of Boston site: <https://www.boston.gov/government/cabinets/boston-public-health-commission/covid-19-boston>

BECOME A MEMBER: If you are interested in becoming a member of SAM or would like more information, please contact:

Society for Airway Management

Message from the 2024 SAM Meeting and Workshop Chair & Co-Chair

The Society for Airway Management will continue its efforts to maximize the safety of airway management worldwide. This year's theme for the annual meeting is:

“Improving safety in airway management for all patients - a golden era of opportunities.”

This will be **the 25th SAM Annual Scientific Meeting**. To mark this momentous occasion, we have assembled an extremely talented and diverse group of multidisciplinary speakers who will present a wide array of airway management topics. Our goal is to bring together health care providers from varied backgrounds to exchange ideas with the aim of improving airway management in all clinical locations.

We wish to express our gratitude to the speakers, moderators, and other faculty who will be contributing to this meeting. We would also like to specifically thank our Executive Director Dr. Lorraine Foley, President Dr. Paul Baker, Vice-President Dr. Sim Jagannathan, the BOD members, and, of course, Anne-Marie Prince-Kieffer, Denise Leary, and Lynn Hancock, without whom this meeting would not be possible.

Please let us know how we can make your visit to Boston enjoyable. We look forward to making this year's annual SAM Scientific Meeting a memorable event.

Sincerely,

Matteo Parotto, M.D., PhD. Program Chair
Richard Galgon, M.D., Program Co-Chair

Airway on Demand
(Other/blended learning - Video & in-person format course)

Faculty: Dr. William Rosenblatt, M.D.

Airway on Demand (AOD) is an A-to-Z update of the current trends in airway management designed for the clinicians responsible for managing airways. The course will cover topics such as the new ASA Difficult Airway Infographic, advanced airway evaluation, pediatric airway management, awake intubation, new video laryngoscopes, the role of the new supraglottic airways in difficult airway management, invasive airway access and difficult extubation. AOD is being offered to the clinician who wants a solid review of the current devices and techniques, before attending SAM, where more advanced ideas are shared.

Educational Objectives: Participants who attend this course will be able to:

1. Explain the 2022 ASA Difficult Airway Adult Infographics.
2. Develop and appropriate airway management plan based on the findings of a focused medical history and airway physical exam and apply these plans to patient care.
3. Apply principles of advanced airway evaluation to the synthesis of an appropriate airway plan.
4. Assess their plan of airway rescue and routine tracheal intubation with the incorporation of modern optical/video devices.
5. Assess their plan of airway rescue and routine airway management with the incorporation of modern supraglottic airways.
6. Apply patient preparation techniques in the performance of awake tracheal intubation.
7. Apply techniques of minimally invasive airway rescue.
8. Evaluate the potential for failed tracheal extubation and develop a plan for emergency reintubation.

- **Participants MUST be registered for the SAM Annual Meeting to participate.**

Registration Fee: SAM meeting attendees \$175; Trainees \$35 (with confirmation letter from their program director). Trainees will need to provide a letter from their program to receive a special discount.

Airway on Demand is a blended learning format - video & in-person course with 5.5 hours of video and 2 hours of in-person Q&A, September 19th, 2024, from 4:00pm – 6:00pm.

This activity has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Massachusetts Chan Medical School and the Society for Airway Management.

The University of Massachusetts Chan Medical School is accredited by the ACCME to provide continuing medical education for physicians.

The University of Massachusetts Chan Medical School designates this other/blended learning activity for a maximum of 7.5 *AMA PRA Category 1 Credit(s)*[™]. Participants should claim only credit commensurate with the extent of their participation in the activity.

Thursday, September 19th, 2024

2:00 – 5:00 pm	Airway Lead Network Program
3:00 – 5:00 pm	Special Projects IV (by invitation only)
4:00 – 6:00 pm	Airway on Demand (pre-registration required)
5:00 – 6:00 pm	SAM Committees Meeting (by invitation only)
6:00 – 7:30 pm	Welcome Reception

Friday, September 20th, 2024

Exhibits hours: Open 7:00 am to 5:30 pm

6:30 – 7:30 am	Sponsored Breakfast Symposium – Mindray (not accredited)
7:15– 8:00 am	Registration & Continental Breakfast/View Exhibits
8:00 – 8:15 am	Welcome Paul Baker, MBChB, M.D., FANZCA., SAM President Matteo Parotto, M.D., PhD, Program Chair Richard Galgon, M.D., Program Co-Chair
SESSION I: Moderator:	Current Challenges and Opportunities in Airway Management Carin Hagberg, M.D.
8:15 – 8:35 am	Airway Management in 2024 - State of the Union Adam Law, M.D.
8:35– 8:55 am	Current Gaps and New Approaches to Airway Education Tracey Straker, M.D.
8:55 – 9:15 am	The Top 3 Articles in Airway Management in 2023/2024: Implications for Clinical Practice Michael Aziz, M.D.
9:15 – 9:30 am	Q&A/Panel discussion
9:30 – 10:00 am	Coffee Break/Visit Exhibits
SESSION II: Moderator:	The Richard Aghababian Emergency Airway Session Richard Galgon, M.D.
10:00 – 10:20 am	Airway Management in the Trauma Patient Calvin Brown III, M.D.
10:20 – 10:40 am	Airway Management in the Pediatric Patient in the Emergency Room Kelsey Miller, M.D.
10:40 – 11:00 am	The Story of the Physiologically Difficult Airway Jarrod Mosier, M.D.

11:00 – 11:15 am Q&A/Panel discussion

SESSION III: **Research Session**
Moderators: Matteo Parotto, M.D., PhD
 Eric You-Ten, M.D, PhD

11:15 am – 12:15 pm **Top 3 Abstracts:**

1. **First Abstract:** Barriers and Facilitators to the Use of Awake Intubation by Emergency Physicians in Canadian Emergency Departments: A Qualitative Study Using the Theoretical Domains Framework
Presenter: Adam Parks
2. **Second Abstract:** The Success Rate of Using a Video Laryngoscope in Combination with a Single-Handed Steerable Introducer for Rescue Intubations. A six-year review.
Presenter: Sean Runnels
3. **Third Abstract:** Can Current Artificial Intelligence and Large Language Models Aid in Difficult Airway Management?
Presenter: Scott Price

SAM Research Grant Recipient Presentation
Paul Baker, M.D.

12:15 – 1:00 pm **Lunch on your own**

1:00 – 1:30 pm **Poster Session I**
Moderators: Carlos Artime, M.D., Brita Mittal, M.D.

1:00 – 1:30 pm Coffee Break/Visit Exhibits

SESSION IV: **Hands-on Workshops (26 min each, 9 rotations)**
Moderators: Matteo Parotto, M.D., PhD
 Lauren Berkow, M.D
 Ashutosh Wali, M.D
 Fabricio Zasso, M.D.

1:30 – 5:30 pm **Advanced Airway Workshops**

1. Dual Device combo techniques (FOB, VL, SGA, Non-Invasive Respiratory Support)
(Aziz, Hagberg, Foley, Behringer, Straker, Randel, Potnuru)
2. Surgical Airway
(Urdaneta, Mosier, Mosier, Brown, Law, Levitan)
3. SALAD - Airway Decontamination
(DuCanto, Galgon, Myatra)
4. Ultrasound of the Airway
(You-Ten, Wong, Kristensen, Siddiqui)

5. Pediatric Airway
(Kovatsis, Jagannathan, Olomu, Matuszczak, Miller, Trevisanuto Garcia-Marcinkiewicz)
6. Airway Exchange Catheters/Double Lumen Tubes
(Coloma, O'Sullivan, McGonigal, Schechtman, Traylor)
7. Clinical Airway Simulation
(Amaral-Neto, Malito, Perin)
8. Awake tracheal intubation and Advanced Flexible Bronchoscopy
(Baker, Rosenblatt, Mittal, Sorbello, Bhagrath)
9. Tracheostomy Complication Simulation
(Kaufman, Andriotis)

SESSION VI:	Plenary Session
Moderator:	Sim Jagannathan, M.D.
10:00 – 10:30 am	Difficult Airway Society (DAS) Lecture: Management of the Obstructed Airway Ravi Bhagrath, M.D.
10:30 – 11:00 am	European Airway Management Society (EAMS) Lecture: Airway Management in Neonates and Infants: European Society of Anesthesiology and Intensive Care and British Journal of Anesthesia Joint Guidelines Massimiliano Sorbello, M.D.
11:00 – 11:35 am	Ovassapian Honorary Lecture Airway management at 30000 feet Keith Ruskin, M.D.
11:35 am – 12:00 pm	Q&A/Panel Discussion
12:00 – 1:00 pm	Lunch on your own
12:00 – 12:30 pm	Poster Session III
Moderators:	Jarrold Mosier, M.D., Radha Arunkumar M.D.
12:30 – 1:00 pm	Poster Session IV
Moderators:	Sheila Myatra, M.D., David Wong, M.D.
SESSION VII:	Expert's Round Table Session (pre-registration required)
1:00 – 2:00 pm	1 - Best Approaches for Awake Intubation Adam Law, M.D., Michael Kristensen, M.D., Ravi Bhagrath, M.D. 2 - Barriers to Education in Airway Management - Diversity, Equity, Inclusion Tracey Straker, M.D., Jessica Feinlieb, M.D., Patrick Olomu, M.D. 3 - Prehospital Airway Challenges Jarrold Mosier, M.D., Calvin Brown, M.D. 4 - Airway Crisis Management: Human Factors Considerations Elizabeth Behringer, M.D., Paul Baker, M.D., Davide Cattano, M.D. 5 - Pediatric (lung isolation) and Neonatal Airway Management Pete Kovatsis, M.D., Daniele Trevisanuto, M.D., Annery Garcia-Marcinkiewicz, M.D MHSE 6 - Advocating and Impacting Change - Discussions in the C-SUITE and EXECUTIVE LEADERSHIP Carin Hagberg, M.D., Lorraine Foley, M.D. 7 - Advanced Use of Supraglottic Airway Devices Felipe Urdaneta, M.D., Brita Mittal, M.D., Massimiliano Sorbello, M.D. 8 – Airway Management in Obstetrics Naveed Siddiqui, M.D., Ashutosh Wali M.D., Paul Potnuru, M.D.

9 - Airway Training - Discussion with Trainees

Eric You-Ten, M.D., PhD, Richard Galgon, M.D., George Arndt, M.D.

10 - Medico-legal considerations in airway management

Lynette Mark, M.D., Rosie Sheinberg, M.D.

SESSION VIII

Moderator:

Challenging Airway Cases

Jarrold Mosier, M.D.

2:00 – 3:00 pm

Panelists:

Expert Panel – 4 cases

Lorraine Foley, M.D., Will Rosenblatt, M.D., Sheila Myatra, M.D., Patrick Olomu, M.D., Richard Galgon, M.D., Sim Jagannathan, M.D., Elizabeth Behringer, M.D.

1 – Case 1: An Unexpected Case of Tracheomegaly Presenting for Emergency Abdominal Surgery: A Case Report

Presenter: David Guariento

2 – Case 2: Enhancing the Margin of Safety for Nasal Fiberoptic Intubation in Infants with Craniofacial Syndromes and Difficult Airways

Presenter: Krishna Jagannathan

3 – Case 3: Suction-Assisted Airway Catheter Insertion for Airway Management in Severe Epistaxis: A Case Report

Presenter: Adam Parks

4 – Case 4: Sigh of Relief: A Case Report of Successful Extubation Strategy for Patients with Highly Reactive Airways

Presenter: Andrew Torck

SESSION IX

Moderator:

Airway Jeopardy

Tracey Straker, M.D.

3:00 – 4:00 pm

Airway Jeopardy with Prizes!

For residents and airway fellows: all meeting attendees are invited to join the competition or stay in the audience to cheer the teams on!

SESSION X

Moderator:

Special Competences

Adam Law, M.D.

4:00 – 4:20 pm

Recovering from an Airway Management Disaster: The Second Victim Syndrome

Richard Galgon, M.D.

4:20 – 4:40 pm

Advancing Competence in Airway Management in Non-Academic Settings

Lorraine Foley, M.D.

4:40 – 5:00 pm

Airway Management for Neonatal Resuscitation in the Delivery Room

Daniele Trevisanuto, M.D.

6:00 – 10:00 pm

Reception – Westin Copley – Staffordshire Room 3rd Floor

Join featured presenters, SAM officers, and new colleagues for a special social event Saturday evening!

Sunday, September 22nd, 2024

Exhibits hours: Open - 7:30 am to 12:00 pm

6:30 – 7:30 am Fun Run – Registration available on site: Thursday - Saturday

7:30 – 8:15 am View Exhibits, Continental Breakfast

SESSION XI: White Paper Session – International Chapters
Moderator: Michael Kristensen, M.D.

8:15 – 8:35 am Presentation: Chapter 1: Canada - Continuing Medical
Education in Airway Management: Strategies for Skill
Retention Among Experienced Anesthesiologists in
Canada
Speaker: Jason Goh

8:35 – 8:55 am Presentation: Chapter 2: Brazil - Recommendations from the
Brazilian Society of Anesthesiology for Difficult Airway
Management in Adults
Speaker: Daniel Perin

8:55 – 9:15 am Presentation: Chapter 3: USA - 100% POGO Does Not Equate
To 100% FPS. Can We Close the Gap?
Speaker: Rick Rutgers

9:15 – 9:30 am Q&A/Panel Discussion

9:30 – 9:45 am Coffee Break/Visit Exhibits

SESSION XII: New Speakers Forum
Moderator: Patrick Olomu, M.D.

9:45 – 10:00 am Presentation: Use of an Airway Leads Committee to Reveal
Heterogeneity in Airway Equipment across a Health
System
Speaker: Nicholas Cormier

10:00 – 10:15 am Presentation: Managing Airway Debris – Easy as 1, 2, and 3!
Speaker: Maggie Roderick

10:15– 10:30 am Presentation: Ultrasound Guided Laryngeal Nerve Blocks for
Awake Fiberoptic Intubation
Speaker: Alyssa Resop

10:30 – 10:45 am Q&A/Panel Discussion

SESSION XIII: Closing Session
Moderator: Lorraine Foley, M.D.

10:45 – 11:00 am Tracheostomy Management
Sam Schechtman, M.D.

11:00 – 11:15 am High Risk Extubation
Matteo Parotto, M.D., PhD

11:15 – 11:30 am **Modern Cuirass Ventilation**
Michael Kristensen, M.D.

11:30 – 11:40 am Q&A/Panel Discussion

11:40 am – 12:00 pm **DocMatter Cases**

Moderators: Fabricio Zasso, M.D., Daniel Perin, M.D., PhD

Panelists: Elizabeth Behringer, M.D., Jarrod Mosier, M.D., Carin Hagberg,
M.D., Will Rosenblatt, M.D.

1 – Case 1: TBC

Submitted by: TBC

2 – Case 2: TBC

Submitted by: TBC

12:00 – 12:05 pm **Adjourn/Closing Remarks**

Other Pertinent Information

Accommodations/Conference Location:

Westin Copley
10 Huntington Avenue
Boston, MA 02116
(617) 262-9600

Hotel Description:

Nestled in one of downtown Boston's most celebrated neighborhoods, The Westin Copley Place, Boston provides modern accommodations and signature touches. Explore family-friendly attractions, world-renowned cultural institutions, popular retail centers and incredible dining destinations. Boston Symphony Hall, Fenway Park and the upscale Copley Place shopping mall are all within easy reach. Back at the hotel, workout in our 24-hour WestinWORKOUT® Fitness Studio, an energizing space featuring custom state-of-the-art exercise equipment. In the evening, relax in our beautiful guest rooms and suites, featuring stylish decor, a plush Heavenly® Bed and spacious bathroom. Find something for everyone in Boston. Shop on Newbury Street or at the high-end Copley Place mall and The Shops at Prudential Center, connected to our hotel. Hop in a pedicab and catch a game at Fenway Park and TD Garden. Visit one of our many local museums, including the Museum of Fine Arts, the Isabella Stewart Gardner Museum and the Institute of Contemporary Art. And when hunger hits, everything from classic New England fare to trendy hot spots are within a 10-minute Walk of our hotel.

EARLY REGISTRATION IS SUGGESTED SINCE THE NUMBER OF ROOMS AT THE SPECIAL CONFERENCE RATE IS LIMITED.
